**CSB** The Commercial  
& Savings Bank

**Keim**

**Cleveland Clinic**

Graduated from Mount Vernon Nazarene University with a double major in Accounting and Sports Management.

*\*The sports management has really come in handy...*

Learned to create and implement the annual budget and quarterly financials for a public company.

Learned what it meant to work for a rapidly growing family-owned business by implanting new processes and supporting multiple departments with financial reporting.

Lead Responsibility Reporting for Operations & Maintenance department across the entire hospital enterprise totaling \$120M while continually identifying cost savings for the organization.

"Caleb is more a part of our team than an outside consultant. He is a highly competent facilitator, knows his stuff and is very easy to work with. And, we have a great time while he's somehow keeping us on track. And, we're not an easy team to keep focused!"
